

Data Privacy and Security for Teachers

Course Description

In this course, you will learn the fundamentals of data privacy and data security most relevant to front-line education workers. The course will include an overview of the applicable laws but will focus on practical guidance designed to keep teachers within the law and out of trouble.

Professional Teaching Standards Alignment

Standard:

Standard IV: Teachers facilitate learning for their students

Domain:

Teachers integrate and utilize technology in their instruction.

Digital Competencies

Leadership in Digital Learning, Digital Citizenship, Digital Content and Instruction, Data and Assessment
